Harbour Project

Having recently visited the Harbour Project, who do amazing work among asylum seekers and refugees, Claire Garrett (CEO) has communicated how we as a benefice can be of help at this time.

For more information on the Harbour Project please follow the link:-

At the present time they would value “care bags” containing specific items (note below).

To this end, our benefice Spring/Summer ‘Harbour Project’ is as follows and I wonder if we might be able to help in the following way...

(a) Knit squares that can be turned into a bag (half a pillow case size) that can be filled with specific items. For knitting ideas, please speak to Revd Barbara. (As always, if you’re not a knitter, but are able to create bag that can be filled, that would be great!)

If you’re able to provide ribbon, tape, buttons, accessories and wool, please let Revd Barbara know. Thank you.

(b) Provide items for an individual male or female care bag (these are given to welcome new service users at the Harbour Project). Perhaps, include a card of welcome.

(c) Bring in items to the church that can be used to fill in a care bag for a male or female.

(d) Other items: Do you have an old bike that can be delivered at the Harbour Project? Also, if you have old phones? If so, please speak to Revd Cathy.
